# Product Reference Sheet

Cushion Inserts for Cable Applications

Product Description

CIN Series Cushion Inserts provide versatility in all applications reducing material and installation costs. The unique design allows them to be individually installed utilizing Butterfly Hangers, and stacked out with Stackable Hangers or Cable Blocks. CIN Cushions are constructed from UV-resistant EPDM rubber which is durable in extreme temperatures and harsh environmental conditions. CIN Cushions are available in multiple sizes to accommodate what the industry demands for installation of all of your Fiber, Power, Elliptical and Coaxial Cable requirements.

Typical Applications

U.S. PAT. # 20120292460
